

# Bishop Ramsey C of E School, Ruislip

<b>Contract Name</b>	Bishop Ramsey School, Ruislip
<b>Contract Sum</b>	£16.5 million
<b>Contract Period</b>	81 Weeks
<b>Architect</b>	GHM Rock Townsend HMY (Richard Hazle)
<b>Client</b>	Governors of Bishop Ramsey School

Rydon has successfully bid and won a £16.5 million project at the successful 1,200 pupil Bishop Ramsey School.

We have been appointed as Contractor to build a new 3-storey teaching block, accommodating a Library, 6th Form study areas, School Hall and kitchen, and specialist classrooms for Design and Technology, Art and ICT (6,900m<sup>2</sup>), and a separate Drama and Dance Studio block (500m<sup>2</sup>).

This scheme will be built to a BREEAM rating of Very Good utilising Ground Source Heat Pumps, natural ventilation via Passivent, solar heating and a "green roof".

To facilitate the new build, there are several phases of demolition to remove the old Technology Block, School Hall and kitchen, and several temporary classroom units.

The main school will remain fully operational throughout the construction of the new facilities, with the works programmed to fit around the school schedule. Great care and close liaison with the teaching staff is essential to ensure the minimum of disruption.

Construction commenced in June 2007.
